

SAINT-EMILION, between heritage and vineyard

An invitation to share our cultural heritage and the “Bordeaux Art de vivre” in the heart of a prestigious vineyard and discovery of Saint-Emilion wines specific features.

In 1999, for the first time ever, a vineyard landscape was acknowledged as a "cultural landscape" worthy of listing as a World Heritage Site. According to UNESCO, “the Jurisdiction of Saint-Emilion is an outstanding example of an historic vineyard landscape that has survived intact and in activity to the present day.”

Full day program: 9.00 am / 6.00 pm

- 9.00 am** Leave Bordeaux with our guide
- 10.00 am** Tour in a cellar and wine tasting in a château (often galleries carved into the rock)

Saint-Emilion remains one of the most interesting towns in France because of the many old buildings confined within a very small space, and the poetic charm of its ruins. It has kept some of its fortifications: collegial church, monolithic church, the King's castle, the square steeple of the Jacobins, the town wall, and the ramparts transformed into gardens.

1.00 pm Lunch in a restaurant – *Several options: restaurant, lunch or picnic in a château*
Optional: the Little Train. From the historical fortifications to the heart of the vineyard, you will discover the 1st Great Growths of the appellation. Duration: 35 min. Extra charge: 8,50 € / pers.

3.45 pm Tour and wine tasting in a second winery

Around 6.00 pm Back to Bordeaux
