An invitation to share the patrimony and the greatest wine of Bordeaux**

An invitation to share our cultural heritage and the “Bordeaux Art de vivre” in the heart of a prestigious vineyard and discovery of Saint-Emilion wines specific features.

In 1999, for the first time ever, a vineyard landscape was acknowledged as a "cultural landscape" worthy of listing as a World Heritage Site. According to UNESCO, “the Jurisdiction of Saint-Emilion is an outstanding example of an historic vineyard landscape that has survived intact and in activity to the present day.”
